The President's Corner

By now you are all familiar with the new member introductions that started in July. I want to thank all who have already volunteered to share a little about themselves. Feedback on this has been generally positive and something to look forward to. Now I know where to go to get mealworms! Connie's Facebook page is awesome!

I understand that there are members who are not comfortable speaking in front of others. No worries, please politely decline when asked and I'll move on to others. However, as an alternative, if you would like me to read your answers for you I would be happy to do that so we can learn a little about all.

Bite 'em!
Lion President Doug

Invocations

Each week in the den, we have a member offer an invocation. We are compiling a list of those who may be willing to do this job so we can rotate it around a bit more. If you are willing to give the invocation when asked, please let President Doug know! Send him a quick email at dcarpenter@meadenmoore.com

Did You Know?

Lions Clubs International is the world's largest service club organization.

We have 1.3 million members in more than 45,000 clubs worldwide.

Lions are everywhere.

We're active men and women in more than 200 countries and geographic areas.

Lions have a dynamic history.

Founded in 1917, we are best known for fighting blindness – it's part of our history as well as our work today. But we also volunteer for many different kinds of community projects – including caring for the environment, feeding the hungry and aiding seniors and the disabled.

Lions award grants.

Since 1968, Lions Club International Foundation has awarded more than \$660 million in grants to support humanitarian projects around the world. Together, the Foundation and Lions are helping communities following natural disasters by providing for immediate needs such as food, water, clothing and medical supplies and aiding in long-term reconstruction.

Lions are active.

Our motto is "**We Serve**." Lions are part of a global service network, doing whatever is necessary to help our local communities.

Our Purpose.

- To Organize, charter and supervise service clubs to be known as Lions clubs.
- To Coordinate the activities and standardize the administration of Lions clubs.
- To Create and foster a spirit of understanding among the peoples of the world.
- To Promote the principles of good government and good citizenship.
- To Take an active interest in the civic, cultural, social and moral welfare of the community.
- To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
