The President's Corner

Fall is in full swing and calendars are filling up with thanksgiving events and apparently, we need to start our Christmas shopping because of something called "supply chain". Reminder: we will not be having our meeting on Thanksgiving Thursday November 25.

Our 94th anniversary dinner was a nice evening to get together and enjoy a night out. Thanks to all involved in making it happen and for all who were able to participate this year. A special mention of congratulations to Lion Tom Vestal on receiving his Life Member award. 45 years as a Lion is a special accomplishment.

Reminder: we no longer require you to RSVP to come to our Meetings. If that's been holding you back then you will be happy to know that last minute attendance is now available to all!

Invocations

Each week in the den, we have a member offer an invocation. We are compiling a list of those who may be willing to do this job so we can rotate it around a bit more. If you are willing to give the invocation when asked, please let President Doug know! Send him a quick email at dcarpenter@meadenmoore.com

Coloring Book Collection

We have been asked to collect coloring books for UH Rainbow Babies Hospitals. A member of our Zone has graciously purchased 300 boxes of crayons... but we needs lots of coloring books to go with them!!

Please consider purchasing a few to donate. Coloring books need to be delivered to either Zone Chair Lacie or District Gov. Deb Mosier by November 18th!

The Board held their monthly meeting on Thursday, October 21st. Normal business came before the meeting.

The current financial statements were reviewed. No significant changes to note.

Current membership stands at 89; with 70 active, 15 inactive and 4 life members.

Lion Lisa Nyhart is working to finalize the new, online directory. If you have changes, please contact her.

Lions Debbie Shaffer is working of organizing our annual Buehler's Shopping Spree Fundraiser. This year, we will sell tickets for a drawing in February – with the shopping trip taking place on February 6th, just in time for Super Bowl Party Shopping! Additional fundraising opportunities were also discussed.

Vision screenings for public schools continue to be on hold due to COVID-19. We have, however, been able to do a couple screenings at private pre-schools.

President Doug is exploring a “Dining in the Dark” concept that introduces people to what it is like to be visually impaired.

Lion Alan Nathan will be introducing a monthly seating mix-up to get members to mix and mingle, getting to know each other better.

The next Board Meeting will be held on Thursday, November 18st, after the regular meeting in the Den. Any member is welcome to attend.

Lifetime Membership

Lion Tom Vestal was presented with a Lifetime Membership at the Wooster Noon Lions 94th Charter Anniversary Dinner on October 19th. Tom became a Lion in 1976. He served as District Governor from 1988-1989. Tom was named a W.R. "Dick" Bryan Fellow in 2009. This award honors lions who have made a substantial contribution to Lionism with a contribution to the foundation for diabetic research.

Save Your Tabs!

Did you know our Lions District (OH-3) collects tabs from aluminum cans for the Ronald McDonald House Charities (RMHC)?

Recycled beverage tabs help support the RMHC of Northeast Ohio's "a home-away-from-home" program for families of seriously ill children being treated in nearby hospitals.

Save your tabs and bring them in to the Den. Lion Lacie will be sure they find their way to RMHC. It's an easy way to support families and children throughout Northeast Ohio.

Halloween Party

Special thanks to Lions Rachelle Matz, Lacie Neal, and Stacy Rottman for planning a fun time for all!
