The President's Corner

Fellow Lions,

Spring is coming! And with Spring comes time to sign up for the Rotary Flag Program. We have participated the last two years and it has been a good way for us to fulfill our motto "we serve" and have fun doing it. We also raise a nice amount of money for our club. Thank you all for your help!

I need your feed back that there are enough people willing to volunteer to pick up and set up flags for 2022. I particularly need trucks or SUVs to haul the flags in. Please let me know that you are willing to volunteer before I commit for 2022. It only takes about an hour and half each time. There are 8 dates that need filled.

Lastly, I need a place to store the flags when they are taken down. Our route is on the north end so that would be the best place. Please let me know if you can help.

Invocations

Each week in the den, we have a member offer an invocation. We are compiling a list of those who may be willing to do this job so we can rotate it around a bit more. If you are willing to give the invocation when asked, please let President Doug know! Send him a quick email at dcarpenter@meadenmoore.com

Board Meeting Update

The Board held their monthly meeting on Thursday, February 17th. Normal business came before the meeting. The current financial statements were reviewed. No significant changes to note.

Board members voted on new member, Marty Jacobson, to join the den. Current membership stands at 90; with 71 active, 15 inactive and 4 life members.

2nd VP Lion Debbie Shaffer reported on fundraisers. Lion Ginny Good won the Buehler's Shopping Spree Fundraiser! She will be during her "Supermarket Sweep" this week. Once we pay for the purchases, we will have a better idea of the funds raised. We will also be doing a Lerch's Donuts sell at the end of April.

Civic Improvement Chair Erick Michener is planning for our Spring "Adopt-a-Highway" trash pick-up to be in April. Watch for sign-up sheet in the den.

Lion Rachelle Matz reported the efforts for a new "Dining in the Dark" event that introduces people to what it is like to be visually impaired. There will be a preview event for Lions at the end of March. Watch for details in the Den and email.

We received a funding request from Smithville High School Class of 2022 for the purchase of a large flag for their indoor athletic facility. The total need is \$7,000. The Board approved a \$250 donation to the project.

District Convention is quickly approaching. The Board approved a donation of \$360 towards the service project for Rainbow Babies.

The next Board Meeting will be held on Thursday, March 17th, after the regular meeting in the Den. Any member is welcome to attend.

Paige and Emily, students of The Ohio State University School of Optometry, were on hand to accept a trunk load of glasses collected by Wooster Noon Lions.

Special thanks to our Tail Twisters, Rachelle Matz and Stacy Rottman, for planning a fun day in the den!

Our newest member, Marty Jacobson, proved to be a wiz with the chopsticks!

Teams worked together to repair the broken hearts!

We know President Doug is good with numbers... how fast can he alphabetize the conversation hearts?

Lions Directory is Going Virtual!

As President Doug mentioned in his letter, the Lions Directory is now available online. You should receive an email with username information. With this new format, you will be able to view the directory from anywhere...and update your information (even photo!) whenever you need. VP Lisa Nyhart has worked hard to get this up and running!

Don't have online access and need a paper copy? Just let Lions Lisa know! She'll be happy to print one for you!
