The President's Corner

Well, who can believe that summer is nearly over and all the kids are back in school. It sure is true that 'Time Flies'.

As you all have noticed, we have been experimenting with the seating arrangements for our meetings. In addition to seeing what configuration works best for the number of people each week, we are hoping the arrangements are allowing you to sit with different Lions. We have received lots of (positive!) feedback. Thank-you Lion Tammy and your crew from Connection Convention and Events Center.

Lastly, please make a note that the Lions Steps for Pediatric Cancer Research for District OH3 is being held in our own 'back-yard' at the Kinney Trail by the soccer fields on September 25th. Register at Ohiolions.org.

Bite 'em!
Lion President Doug

Invocations

Each week in the den, we have a member offer an invocation. We are compiling a list of those who may be willing to do this job so we can rotate it around a bit more. If you are willing to give the invocation when asked, please let President Doug know! Send him a quick email at dcarpenter@meadenmoore.com

Fun in the Den

The Springville Country Club presented their 4-H projects to the Wooster Noon Lions Club. A rabbit, goat, chicken and llama visited the den! President Doug Carpenter presented the 4-H club with a very generous donation from the Club.

Past District Governor, Terry Snyder, was in the Den to present PID Steve Thornton with the District 13 OH3 Hall of Fame Award!
