The President's Corner

As we flip our calendars, we say good-bye to Summer and welcome in Fall... High School Football, cool nights and Highway Clean up day (October 16)!

RSVP update: When we met at the Country Club they had a buffet set up for us and their members so there was no need for us to RSVP how many meals we needed. However, when COVID hit, the Country Club took down their buffet and we had to start giving a number of meals for them to have prepared for us. Now at our new location, The Connection, we have continued that practice. You have been asked to RSVP each week (thanks Lion John for handling this!) so we have the right number of meals. However, the board is concerned that members are not coming to lunch if they didn't RSVP but at the last minute their schedule freed up and could have come. We are trying something new for October. We have ordered a set number of meals that we think will accommodate those we didn't rsvp but wish to come. So, NO MORE RVSP and no hesitation in coming 'last minute'.

Vision Screenings: The public schools are indicating that they are not ready for vision screenings. However, we have had some private preschools say they were interested. Please let me or Lion Ami Hammond know if you are willing to volunteer for this.

Bite 'em!

Invocations

Each week in the den, we have a member offer an invocation. We are compiling a list of those who may be willing to do this job so we can rotate it around a bit more. If you are willing to give the invocation when asked, please let President Doug know! Send him a quick email at dcarpenter@meadenmoore.com

BIKE FOR SIGHT

Bike for Sight a Success!

The Annual Bike for Sight Fundraiser was held on Sunday, September 19th. With over 45 riders participating and fantastic sponsors, the Club raised funds to support our charitable endeavors. Special thanks to Lions Kevin McAllister, Ami Hammond, and Robyn McClintock for all their hard work in planning the event. And to all Lions (and their families!) who volunteered or biked for the cause.

Proof that Lion Roger Proper (right) is still alive! Participating in the event with some of his Crichfield co-workers.

Lions Tricia Pycraft and Elyse Pycraft, along with Lion Cub Eva and pup Libby, greeted riders and provided refreshments along the route.
